

Join the UUCR Environmental Action Group (EAG)

The Environmental Action Group meets on the 3rd Wednesday of the month via conference call to discuss and plan environmental activities. Is this your passion? Here are some of the things we can do together:

- Help organize or participate in stream cleanups, removal of invasive plants
- Participate in the UUCR Adopt a Road effort
- Organize an environmental film showing
- Share information for homeowners to switch to wind power or install solar panels on their roof
- Attend meetings with UUs and environmental activists in the D.C. region to fight the climate crisis
- Attend a rally in Annapolis or Washington, D.C. to support the UU Legislative Ministry of MD and UU's for Social Justice legislative initiatives
- Share information about reducing our carbon footprint
- Share information about the benefits of a vegan and vegetarian diet
- Join or support the CCAN Polar Bear plunge in January
- Share information about using native plants and alternatives to pesticides
- Help to identify ideas and readings for an environmental worship service
- Identify artists for UUCR exhibiting whose work has an environmental theme
- Your idea here _____
